Discover the specifications and capabilities of a remarkable solution that transcends conventional boundaries, offering unparalleled efficacy and reliability.

Discover the Silfab SIL-530 XM Bifacial Solar Panel. 530W panel with N-type cell technology for commercial projects. US-made, 25-year warranty, 22.3% efficiency.

Learn about the Topsun 530W solar panel. Explore solar panel efficiency, warranties and more.

Detailed specifications, performance metrics, and warranty information for the JinkoSolar Tiger Pro 72HC series solar panels. High-efficiency mono-facial modules ranging from 530W to 550W.

Comprehensive guide to 530W solar panels. Compare top models from JA Solar, Jinko, Canadian Solar & more. Includes performance data, pricing, and installation tips.

The specifications and characteristics contained in this datasheet may deviate slightly from our actual products due to the product developments and uncertainty of measurement devices. The ...

Each of the panel's 132 cells is only half the size of a traditional solar cell. This grants SIL-530-XM lower resistive losses and better shade tolerance. The efficiency of this model reaches ...

Q: What is the power output of the Silfab 530W panel? The Silfab SIL-530-XM panel delivers 530 watts of power, offering high efficiency and enhanced energy yield with bifacial technology, making it ideal ...
