Search 20 U.S. and Canadian government contracts for bid in Black Mountain (NC) that GovWin IQ is tracking.

The Town of Black Mountain encourages minority and/or women-owned firms to submit proposals on this project. The Town of Black Mountain also promotes Fair Housing, is an Equal ...

We have investigated optimal bidding strategies for a generating unit in a competitive electricity market, in which the market clearing price is insensitive to the bid price of a single generator.

Learn about current bid and contract opportunities available to consultants, service providers, contractors, vendors, or suppliers.

The default view for the solicitation table includes "Open" solicitations that are accepting bid responses. To view/update filter criteria, expand the "Filters" box below.

The facility operates under Class I Permit Number 96392. UNSE is proposing to install four (4) natural gas-fired simple cycle combustion turbines ("Unit 3" through "Unit 6") (hereinafter "CT Project" or ...

In addition to bid information, we offer in-depth Generators market research, procurement analysis, historical archives, bid consultancy services, and insights into top bidders and winners.

The following is a list of our current online bid opportunities. Please refer to the Status column in the list to determine if the bid is open, closed or awarded.
