Who can apply for a DPC licence?

Any individual (sole proprietor), partnership, company, body corporate other than a company, or society that intends to operate a DPC shall apply for a licence. Applicant being a partnership is required to authorize a partner to represent the partnership.

When will my DPC application be processed?

the intended date of commencement of operation of your DPC. We will process your application only after the application fee is settled. Please note that starting from 30 June 2022, any person operating a DPC without a licence will commit an offence and be liable on conviction to a fine of HK\$ 100,000 and to imprisonment for 3 years.

How do I become a DPC?

You can find a lot of the Policies and Procedures online - check out Kim Corba's DPC Manual. You need to get a signed Business Associate Agreement from every company/product/service that handles your patients' health info. Some notable exceptions are labs, specialists you refer to, and data "conduits" (some messaging services qualify).

What happens if you run a DPC without a licence?

Please note that starting from 30 June 2022, any person operating a DPC without a licence will commit an offence and be liable on conviction to a fine of HK\$ 100,000 and to imprisonment for 3 years. applications?
