We are a full service, turn-key renewable energy company specializing in the deployment of Solar Photovoltaic Technology in Haiti for homeowners, businesses, schools, nonprofits and government.

List of Haitian solar panel installers - showing companies in Haiti that undertake solar panel installation, including rooftop and standalone solar systems.

Explore government, NGO, and private solar power installation projects in Haiti with costs, benefits, and expert insights.

Want to learn how to properly install solar panels? Haitai Solar provides detailed installation guides to help you easily choose and install efficient solar systems.

Brighten Haiti, a 501c3 nonprofit founded by former Heliene sales manager Kevin Keene, will install solar systems on 109 schools in rural Haiti, beginning in January 2022.

Haitai Solar provides efficient solar panels and installation solutions suitable for homes, helping users save energy and reduce costs for green energy use. Supports customized design and nationwide ...

Brighten Haiti takes end-of-life, low power, obsolete, safe, functioning silicon-based solar panels (sorry, no Cad Tel modules), from project owners, EPC"s, distributors, and manufacturers.

But in the Haitian context, a PV system is your personal power plant. Unlike a diesel "generator" (delco) that eats money every time fuel prices spike and keeps the neighbors awake, a ...
