Eaton is one of the world's largest manufacturers of three-phase UPS systems and the company's investment in its new Helsinki campus is driven by strong growth in its business.

Eaton has opened a new state-of-the-art campus in Helsinki to boost its capacity to manufacture and supply Uninterruptible Power Supply (UPS), which are in high demand, particularly in the data center ...

Eaton, the intelligent power management company, has opened a new state-of-the-art campus in Helsinki to boost its capacity to manufacture and supply Uninterruptible Power Supply ...

Eaton has opened a new state-of-the-art campus in Helsinki to boost its capacity to manufacture and supply Uninterruptible Power Supply (UPS), which are in high demand, particularly in the data center sector.

It will supply UPS systems primarily for data centres, but also for healthcare, commercial and marine sector applications, and introduce customers to the benefits of our associated low voltage product ...
