Who is Linuo photovoltaic group?

Linuo Photovoltaic Group is the core enterprise of Linuo Group's solar panel, which is an international high-tech enterprise specializing in the R& D, manufacturing and sales of high-efficiency solar cells and modules.

Why should you choose Linuo solar PV?

Linuo PV has become the designated supplier for the top five power generation groups in China, and enjoys a solid international reputation. While emphasizing company profitability, Linuo Solar PV also attaches great importance to the well-being of the employees, assisting with accommodation, everyday needs and social services.

Who is Linuo solar?

Founded in 2002, Linuo PV Group was one of the first Chinese companies manufacturing and developing solar photo-voltaic products, quickly becoming a provincial high-tech enterprise and a leading PV producer with sales of solar cells and solar modules at home and abroad. Our solar cell production equipment is sourced from leading manufacturers.

Where are Linuo solar PV products sold?

Linuo Solar PV products are sold to more than 30 countries and regions, including Germany, Japan, Italy, Spain, Greece, Belgium, Czech Republic, Romania, the US, Brazil, Chile, Australia, and South Africa. Our factory in Jinan covers an area of 270 hectares. The production capacity for crystalline silicon solar cells and modules is 1.2 GW.

Since its inception, JA Solar has become a leading manufacturer of high-performance solar power products worldwide, with the goal of making solar energy more accessible on a scale.

Linuo photovoltaic panels have been turning heads in renewable energy circles, particularly since their 2024 breakthrough in maximum power point tracking (MPPT) technology. Let's crack open these ...
