Cutting-edge 5MWh liquid-cooled ESS in a standardized 20ft container. Features 12 high-voltage battery clusters, modular design, and advanced safety systems for optimal performance, extended lifespan, ...

Built by GSL ENERGY, a global-leading storage battery manufacturer and energy storage battery supplier, this system combines advanced liquid-cooling, PCS-driven power conversion, and a high ...

Maximize power reliability & savings with our 125KW/261KWH Liquid-Cooled Battery Cabinet. Featuring superior cooling efficiency for extended 10-year lifespan, it enables critical equipment UPS protection ...

GSL is a premier Battery Energy Storage Systems (BESS) manufacturer, specializing in industrial and commercial energy storage solutions. Liquid cooling energy storage Solar Solutions, Our cutting ...

The 125kW 261kWh Liquid-Cooled Battery Energy Storage System by GSL Energy integrates advanced liquid cooling technology with high-performance battery cells, offering an ideal ...

Each outdoor cabinet is IP56 constructed in a environmentally controlled liquid cooled cabinet including fire suppression. Multiple 373kWh cabinets can be installed together creating up to 4472kWh energy ...

This outdoor battery cabinet incorporates advanced liquid cooling technology. With its high level of system integration, it offers easy installation and enhanced efficiency.

We have extensive manufacturing experience covering services such as battery enclosures, grid energy storage systems, server cabinets and other sheet metal enclosure OEM services..
