In 1855 he opened a theatre of his own, the Bouffes-Parisiens, which he directed until 1866 and where he gave many of his celebrated operettas, among them Orphée aux enfers (1858; Orpheus in the ...

Offenbach's operettas were known for their catchy melodies, witty lyrics, and lively dance rhythms. He often used satire and parody to poke fun at contemporary society and culture, and his ...

List of operettas by Jacques Offenbach This is a complete list of the 98 operettas of Jacques Offenbach (1819-1880).

Between 1864 and 1868 Offenbach wrote four of the operettas for which he is chiefly remembered: La belle Hélène (1864), La Vie parisienne (1866), La Grande-Duchesse de Grolstein (1867) and La ...

Jacques Offenbach (1819-1880) is widely regarded as the founding father of French operetta. With more than a hundred comic stage works to his name - including Orphée aux Enfers, Les brigands and La ...

Following the success of Orphée aux Enfers, Offenbach composed numerous other operettas that enjoyed great popularity. Works like "La Belle Hélène", "La Vie parisienne", "La ...
