-----

The LONGi 625W-645W solar panel, part of the Hi-MO X10 Explorer LR7-72HVD series, is designed for high-performance industrial and commercial solar applications.

Solar Panel Packing Details: Meticulously packed with 30 panels per pallet or securely in a wooden box, ensuring safe transport. Delivery Details: Swift and reliable, with a prompt delivery time of just 5-7 days.

Specifications included in this datasheet are subject to change without notice. LONGi reserves the right of final interpretation.(20241118 BGV02 Draft)

LR8-66HGD 595~625M High-performance PV modules for utility power plants Advanced efficiency and HPDC power cell technology delivers superior module High achieves bifaciality high energy and ...

Longi Solar Panels offer high efficiency with power ranging from 450W to 650W. Perfect for solar power systems, featuring bifacial, half-cell, and double-glass technology.| Alibaba

LONGi Solar Technology Co., Ltd. Solar Panel Series Hi-MO X10 Explorer LR7-72HVD 625-645M. Detailed profile including pictures, certification details and manufacturer PDF

LONGi module product model comparison to help you quickly make product selections.
