The LONGi LR8-54HGGB-500M is a high-efficiency, 500W monofacial solar panel engineered for maximum performance in residential and commercial solar installations.

The LONGi LR8-54HGGB-500W is a high-efficiency, 500W bifacial solar panel engineered for maximum performance in residential and commercial solar installations.

The 500W Longi solar panels are 1500-V system ready to enable longer strings and simpler BOS, and they're engineered with robust glass, an anodized aluminum frame, an IP68 junction box, and ...

Discover the LONGi 500W solar panel, providing a 23% efficiency, a sleek black design, 25-year warranty, and certified quality for reliable energy performance. Perfect for all energy needs.

LONGi launched its mono-PERC modules in 2016, featuring integrated PERC technology on monocrystalline silicon and low light degradation, and its cell efficiency has increased from 21% to ...

Longi 500W Solar Panel Key Features: Advanced Module Technology: M10 Gallium-doped wafer combined with 9-busbar half-cell design and smart soldering ensures optimal performance. High ...

At Iricosolar we offer LONGi Hi-MO 7 LR8-54HGGB 500W N-type Bifacial Dual Glass Solar Panel (All Black) at the lowest price. Check it out now!

LONGi LR8-54HGGB-500M 500W Bifacial, 1200mm cables Panel Watts: 500W Panel Type: Bifacial Black Frame, Black Sheet \$ 169.65 SKU: 102-LO-2895 Sale 13%
