Provide evidence of previous technical experience: List of developed renewable energy power plants; Valid commissioning certificates or similar documents.

Moldova 2022 - Analysis and key findings. A report by the International Energy Agency.

With few natural energy resources, Moldova imports almost all of its energy supplies. Fifty percent of Moldovagaz, the country"s national energy company, is owned by Russian oil and natural gas supplier Gazprom, with the remaining 50% split between the Moldovan government (36.6%) and the unrecognised government of Transnistria (13.4%). Moldova"s historic dependence on Russian energy is underscored by a deb...
