Description: Looking for a powerful and portable solar generator for camping, home backup, or outdoor adventures? Meet the Pecron E600LFP Portable Power Station with a 200W solar panel.

In this video, I test and review the Pecron E600 LFP portable power station. I mentioned in some past videos I wanted to look into getting some solar and power station to eventually replace...

After doing a TON of research (and even though other models had slightly better reviews), I decided on the Pecron unit. There was a 10% drop in the already low price, so I couldn't resist.
