Your social media feed is probably full of them: ads promising free solar panels, guaranteed savings, or special government programs that'll pay you to go solar. Some even claim ...

It doesn't matter what they're selling--a new roof, driveway repaving, tree trimming, or solar panels--never hire someone who shows up at your door. You have no way of knowing who ...

Originally appearing in NPR- Philadelphia (KLCC) on August 14, 2024, Jeff Brady interviews NCLC senior attorney Jenifer Bosco in coverage of how customer complaints against the ...

Rooftop solar has a fraud problem. The industry is working to build back trust. All this threatens the residential rooftop solar industry's impressive momentum, and some are working to...

Some customers say they were victims of fraud and forgery. This threatens rooftop solar's impressive momentum. Now, some solar companies are working to repair the industry's reputation.

They exist. It's a very small percentage of rooftop solar companies, but it would be a lie to pretend there aren't any and there's nothing to worry about.

Did a salesperson knock on your door and promise free rooftop solar panels at no cost to you? Or say you'll never have to pay another electricity bill because government programs, grants, or ...

While you are browsing solar power companies, one of them may offer to install a solar panel or solar roof in your home for a small cost or even for free. It's an intentionally misleading...
