We reveal what So Energy's gas and electricity customers really think of it for customer service and value for money in the Which? energy survey. All you need to know about So Energy to ...

Money Saving Expert Martin Lewis walks you through whether it's better to fix your energy with a new tariff or to stick on the regulator's Price Cap.

Is So Energy a good energy supplier to sign up to? Find out more about So Energy's tariffs and reviews here.

SO Energy and Pure Planet are on my shortlist. Pure Planet gets mixed reviews on here plus I'm not too happy with the idea of a variable direct debit from summer to winter. I can't find any ...

Do you agree with So Energy's 4-star rating? Check out what 27,643 people have written so far, and share your own experience.

So Energy has launched the first fixed energy deal available to new customers that's worth considering since the energy crisis began, with a one-year fix that's priced just under July's ...

In the latest MSE newsletter, Martin said: "We've already seen a few limited existing customer-only fixed deals launch from British Gas, So Energy, E.on and Ovo, and we're expecting ...

But Martin Lewis' MoneySavingExpert website has issued an urgent warning for anyone considering a fixed energy deal, the Mirror reports.
