Lower LCOE (Levelized Cost of Energy), reduced BOS (Balance of System) cost, shorter payback time Up to 21.5% module efficiency with high density interconnect technology

The Aiko Stellar 1N+66 photovoltaic panels, with an impressive output of 665 W and advanced bifacial technology, are an ideal choice for commercial, industrial, or utility-scale solar projects.

Experience the exceptional power and efficiency of our state-of-the-art 665W solar panel. With advanced technology and superior performance, this solar panel is designed to optimize energy ...

Candian solar is committed to providing high quality solar photovoltaic modules, solar energy and battery storage solutions to customers. The company was recognized as the No. 1 ...
