We've established 4 production bases across China, covering a total area of more than 200,000 square meters, with specialized facilities for solar container production and energy storage solutions.

Discover our global leading mobile solar container factory offering high-efficiency, durable, and portable solar power solutions ideal for remote sites, disaster relief, and off-grid energy ...

Discover our global leading mobile solar container factory offering high-efficiency, durable, and portable solar power solutions ideal for remote sites, disaster relief, and off-grid ...

Huijue Group offers industrial and commercial energy storage, PV-BESS -EV Charging, Off-grid / On-grid Microgrid, telecom site solutions, and home solar energy storage, ensuring ...

This is the world's first smart zero carbon container terminal, which incorporates a distributed photovoltaic system across 16,000 square meters of rooftop and installs two wind turbines ...

Searching for reliable solar power inverter manufacturers in China? Discover the 2025 ranking of top Chinese brands and their innovative industrial inverter solutions.

With an experienced R& D team, we are able to design and manufacture solar power pods with superior performance and cost-effectiveness according to the specific needs of our customers.

China Hybrid Energy Network solar container communication station This station integrates the storage advantages of lithium and sodium batteries, broadening application scenarios for sodium-ion battery ...
