Product Features: Standardized structure design, menu-type function configuration, photovoltaic charging module, a parallel off-grid switching module, power frequency transformer, and other ...

We are a factory specialising in the field of solar inverter and solar energy storage system. With advanced intelligent production lines and an experienced production team.

Discover the advanced 100KW-215kWh Outdoor Cabinet Energy Storage System with air-cooled technology. Ideal for peak shaving, backup power, and enhancing renewable energy use in industrial ...

GSL-100 (DC50) (215kWh) (EV120) 100kWh Solar Battery Storage Cabinet 280Ah LiFePO4 Battery Air-cooling Photovoltaic Charging Energy Storage Cabinet is an efficient and reliable energy storage and ...

The HighJoule 100KWh Outdoor Cabinet Series offers a robust solution for commercial applications, featuring a 100KWh LFP or SSB battery with over 8000 cycles, ensuring long-term reliability and ...

It adopts door-mounted embedded integrated air conditioning, which does not occupy cabinet space, improves the available space of outdoor cabinets, has better structural integrity at the top, and has ...

Outdoor energy storage cabinet integrates energy storage battery, modular PCs, energy management monitoring system, power distribution system, environmental control system and fire control system.

This integrated solar battery storage cabinet is engineered for robust performance, with system configurations readily scalable to meet demands such as a 100kwh battery storage requirement.
