What if I need service on my solar panel system?

If you need service on your solar panel system, please click the Request Support button below and fill out the form. Our team of solar experts will be in contact with you as soon as possible. If your system was installed and energized by Blue Raven Solar or Complete Solar, the warranties in your installation agreement are still valid.

Does Blue Raven solar have a warranty?

If your system was installed and energized by Blue Raven Solar or Complete Solar, the warranties in your installation agreement are still valid. SunPower Solar Experts are ready to help troubleshoot and service your system. Please fill out the form to submit a claim and request service. SunPower installs solar systems made by leading manufacturers.

Is complete solar now SunPower?

We are proud to announce that Complete Solar is now SunPower! This integration unites the strengths and expertise of these organizations, creating a more innovative, comprehensive solar energy provider. Together, as we transition, we will be positioned to deliver better solutions, expanded expertise, and unparalleled value to our customers.

How long do solar panels last?

We use premium solar panels and microinverters that come with manufacturer warranties lasting up to 25 years. If there's a manufacturer-related issue within the first two years, SunPower will handle the claim directly. After two years, we'll still assist you in the process, though you'll be responsible for any manufacturer's claim fees.

Regular maintenance is vital for the sustained performance of solar photovoltaic panels over their lifespan, typically ranging from 25 to 30 years. After-sales service often includes structured ...
