Scan your park ticket or thumbprint. Your assigned locker will open for you to store your items. Keep your ticket or pass handy to reopen the locker after the ride. Do not store your ticket in ...

As the photovoltaic (PV) industry continues to evolve, advancements in The locker universal card cannot be opened have become critical to optimizing the utilization of renewable ...

For those wondering, the "ticket" lockers use unique barcodes to open the lockers. Any barcode or QR code will work, but universal makes it simple and says "tickets". If you use a digital ...

All you do is go up to the locker bay, it scans your face, and a locker will pop open. Then, when you get off the ride, you do the same thing and your locker with all your belongings will open!

DO NOT put the barcoded item (park ticket or Express pass) you scanned to open the locker inside the locker. I've seen it happen, it's the walk of shame to a Team Member to explain ...

We've been using lockers to put our stuff in when we went on rides, but after scanning our card to open our locker, it opens one or two other lockers before finally opening ours.

You will either need to associate a card with your ticket in the universal app to pay for the locker or use a credit card. We had paper tickets as well and were able to add them to the universal app no problem.

Once you find a locker bank with a yellow or green light, indicate the size locker you desire and scan your theme park ticket. Should you need to pay for a larger size locker, you will also need ...
