Who is Vietnam International Leasing Company (vilc)?

Vietnam International Leasing Company (VILC) is the first finance leasing company of the country. It was established with the multinational collaboration of a Leasing Company, Banks and Finance Institutions in early 1997. A member of KDB Financial Group. A state-owned finance company established in 1972 with longest history in Korea.

Why are international developers investing billions in Vietnam?

International developers from Singapore, Japan, Taiwan and South Korea have committed billions of US dollars to industrial parks, logistics centres and mixed use urban districts, underscoring the widespread confidence in Vietnam's growth story.

What are the key investment sectors in Vietnam?

V. DEVELOPER CORNER Over the past decade, the commercial, industrial and hospitality segments have remained key investment sectors in Vietnam, accounting for 22.5%, 11%, and 9.3% of total investment, respectively. LURs are granted for a maximum term of 50-70 years, with the possibility of extension.

Why are Vietnamese investors investing in residential projects?

The 46 % reciprocal tariff on Vietnamese exports to the United States has cooled sentiment until bilateral talks, due to conclude in Q2 2025, provide clarity. Meanwhile, investors are channeling funds into prime residential projects for defensive yield and capital upside. **MERGERS OF PROVINCES AND CITIES IN VIETNAM**
