The first version of SOLAS Treaty was passed in 1914 in response to the sinking of RMS Titanic, which prescribed numbers of lifeboats and other emergency equipment along with safety procedures, including continuous radio watches. The 1914 treaty never entered into force due to the outbreak of the First World War. Further versions were adopted in 1929 and 1948.

It was adopted on November 1st, 1974 and entered into force on May 25th 1980. The main objective of the SOLAS Convention is to specify minimum standards for the construction, ...

SOLAS established international Safety standards in consequence to the Titanic disaster. The first released was in 1914. SOLAS is an abbreviation, and SOLAS stands for "Safety Of Life At Sea".
